Subject: Bascon Corporation`
Recommendation Letter

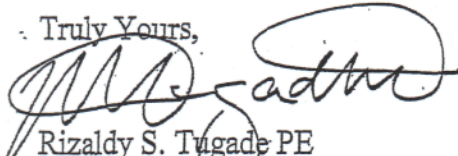

This is a reference and recommendation letter provided as requested by and for Bascon Corporation. Bascon Corporation has completed several projects with the agency since year 2000 with two notable projects namely GMHA Enclosure of Exterior Corridors and Stairwells and GMHA enclosure of Courtyard and Solariums with cost of approximately \$4 million alone. These two project and several ones have been completed with the same professional key personnel to this present.

As the Project Manager for Capital Improvement Projects I hereby attest that all the projects awarded to Bascon Corporation has been diligently and successfully completed ahead of time with the assured and expected quality.

Bascon has exemplified employing in its construction their means, ways and methodology to complete our projects with no or negligible interference with our operations.

We therefore hold Bascon Corporation in high regards as a responsible and responsive contractor and look forward for continued opportunity to work with us in our future projects.

Truly Yours,

Rizaldy S. Tugade PE
GMHA CIP Manager
